WORK HISTORY

CDamore

Freelance Artist | Brookfield, IL © 2001-Present

Create / Design / Produce:

websites • newsletters • banner ads • print ads • logos • videos with editing and special effects • photography • paintings

Fleetmatics

Graphic Designer | Rolling Meadows, IL © 2014-2017

- Maintained several international websites in SiteCore (content management system)
- Created sales and marketing collateral, including brochures, trade show booth panels, logos, and animated online ads
- Designed mockups for new company initiatives and website redesigns of product, resource, and home pages
- Composed motion graphics and videos for media channels and internal promotions

VIA Marketing

Graphic Designer | Merrillville, IN © 2011-2013

- Created print ads, brochures, logos, web pages, and Flash content for clients in the Northwest Indiana and Chicagoland area
- Captured video and photos for commercial and branding purposes, both internally and for various clients
- Optimized design mockups into code and graphics for the web, creating a pixel perfect conversion with HTML and CSS
- Worked with various digital content systems to provide print and digital collateral

The Times

Online Producer | Munster, IN © 2007-2009

- Produced videos and special sections for news-related events
- Increased site usability with redesigns and changes, while seeing consistent increases in pageviews and unique visitors
- Integrated new products into TownNews (content management system)
- Collaborated on changes and new directions for online content
- Maintained responsibilities from previous position

Online Graphic Artist | Munster, IN © 2005-2007

- Updated and maintained NWI.com, Visitshoremagazine.com, and Timeswheelsforyou.com websites
- Created digital advertising content for various clients in the Northwest Indiana and Chicagoland area
- Compiled site traffic and ad statistics for all websites
- Tracked and updated ads, coupons, niche products, and more using TownNews (content management system)
